

1. From where you are, You see the smoke start to arise where they play cards.

And you walk over, softly movin' past the guards.

The stakes are gettin' higher, you can feel it in your heart.

He calls your bluff, He is the ace, you never thought he'd play that much.

And now it's more than all these cards you want to touch.

You'll never know if winnin' this could really be enough.

Take a look beyond the moon you'll see the stars.

And when you look around, You know the room by heart.

I have never dreamed it, Have you ever dreamed a night like this?

I cannot believe it, I may never see a night like this.

When everything you think is incomplete, Starts happening when you are cheek to cheek.

Could you ever dream it? I have never dreamed, Dreamed a night like this.

2. How many times, Have I been waiting by the door to hear these chimes?

To hear that someone debonair has just arrived.

And opened up to see my world before my eyes.

That silhouette, Creates an image and a night I can't forget.

It has the scent of something special, I can't rest.

If I resist temptation, oh, I know for sure that I will lose the bet.

I walk away and suddenly it seems I'm not alone.

In front of me he stands, I stop before he goes.
