B2 F#m4/7\* E  
 Run and tell all of the angels, This could take all night  
 B F#m E  
 Think I need a devil to help me get things right  
 B F#m E  
 Hook me up a new revolution, Cause this one is a lie  
 B F#m E  
 We sat around laughing and watched the last one die

I'm looking to the sky to save me, Looking for a sign of life

Looking for something to help me burn out bright

I'm looking for a complication, Looking cause I'm tired of trying

G A B  
 Make my way back home when I learn to fly high

## 2. I think I'm done nursing the patience, It can wait one night

I'd give it all away if you give me one last try

We'll live happily ever trapped, If you just save my life

Run and tell the angels that everything's alright

*chorus*

*repeat last line:* Make my way back home when I learn to. . .
