1. intro: G D C C   (2x)

```
     C              G              C G            C                 D          D
      Oh there's a blue moon shining ,   shining just for me , it's trying to comfort me
     C              G              C G            C           D      D
      oh well the night is silent ,   please don't turn me down , I'm crying
```

(×2)
```
                    Am       C
Oh, I just wanna run  away
                    G       G
there's no place to run to
```

```
     C             G            C   G            C            D           D
2.    Oh there's a bluebird singing   , singing just for me , just to ease the pain
     C           G            C   G            C          D      D
      another broken promise ,   another broken dream , it's lonely
```

(×2)
```
                    Am       C
Oh, I just wanna run  away
                    G       G
there's no place to run to
```

```
     D        D                 C          C
3.    run away, there's nothing left to see
     G              D          C           C
      blue moon shines in the distant space
     G      D                  C          C
      run away, there's no more cause to faith
     G      D        C   C
      run away, run away
     G D C C

     G D C C

                G        D C C
      keep on running
                               G D C C
      and I don't know where I'm going
                G       D C C
      just keep on running
     G
```
