

Intro: E

1. I sit and wait Does an angel contemplate my fate?
 And do they know The places where we go when we're grey and old?
 'Cause I've been told That salvation lets their wings unfold
 So when I'm lying in my bed Thoughts running through my head
 And I feel that love is dead I'm loving angels instead

And through it all she offers me protection
 A lot of love and affection Whether I'm right or wrong
 And down the waterfall wherever it may take me
 I know that life won't break me
 When I come to call, she won't forsake me
 I'm loving angels instead

2. When I'm feeling weak And my pain walks down a one-way street
 I look above And I know I'll always be blessed with love
 And as the feeling grows She breathes flesh to my bones
 And when love is dead I'm loving angels instead

(×2) And through it all...

(soft / big ending)

I'm loving angels instead
