

Jam chart (approx.): **Am F C G** (Loop)

1. It's in effect but they ain't ready at all
It's unaccepted, but if it ain't calm
It's unfair, now they give another bomb
You know? Cyner-nigyzyng from MadCon

2. I'm sayin', "Dance for me, let me feel the fire in you"
There ain't a chance motherfuckers gettin' tired of usin' it
Music manifest the fine grooves and that's (Right, right)
You can't deny this foolish (Yeah, live, live)
See how the 'Con be doin' it
We didn't rise in the snow, lettin' it show, he-he (Woah-woah)
I'm tellin' you so, man (Mm-hmm)
Said, I told you so

3. I'm lookin' for a t-t-t-t-thing like this
All my (People) people get down and dance like this (Yeah, go)
You gettin' your stance, your man steady thinkin' (Thinkin')
"Damn, nigga, you're fucked, just pass that spliff" (Spliff)
Like you was liftin', you get that automatic feelin'
When it kicks like "Damn" when your shit spin
You feelin' big tense writin' the truth, but nah (Nah)
Lil' man, it's just the fire in you

No, you ain't promised tomorrow Not as far as I know

'Cause you know life is too short

No, you ain't promised tomorrow Not as far as I know

'Cause you know life is too short

4. Say, what the deal, mami? Let's go

Was hot on the floor

It ain't a problem, if it is, I can hold ya close

So you can feel my heart, bump-bumps

Can you feel me? I'm tryna, like, fuckin' find your soul

Say what it is, people, let's go, rock 'n' roll

Let it jiggle every fuckin' part of your bones

Every fuckin' part of your bones

Like, can I get down? Get on down?

5. (Hola, hola, hola, hey)

We steady pushin' that thing, just find your way

You feelin' you behind all day

It's killin' you inside, homie (Put it down, go cray)

Come on

(Hola, hola, ho-hola, hey)

Walk like you strivin' in a sold out place

Talk like you starvin' and you want that taste

Go get it if you want that thing, you anywhere

| (×2) No, you ain't promised tomorrow...

6. Vive y disfruta la vida

Con mucho amor y alegria

Aprecia el momento

Porque la vida es cruel

Okay-kay-kay-kay-kay-kay

7. I feel the fire burn inside of me

We ain't promised tomorrow, so get down and date

It's time to get (Low), so we can get (High)

We need to let (Go), so we can get (High)

Use your debt, mami, not it ya way

Yippie-yippie-ki-yay, but our shit is irie

Come on we need to get (Low), so we can get (High)

We need to let (Go), so we can get (High)

| (×4) No, you ain't promised tomorrow...
