

Jam chart: **Am Em F C** (Loop)

1. In pitch dark I go walking in your landscape

Broken branches trip me as I speak

Just 'cause you feel it doesn't mean it's there

Just 'cause you feel it doesn't mean it's there

2. There's always a siren singing you to shipwreck

(Don't reach out, don't reach out)

Steer away from these rocks, we'd be a walking disaster

(Don't reach out, don't reach out)

| There there Why so green and lonely?

| And lonely, and lonely

| Heaven sent you to me To me To me

3. We are accidents waiting, waiting to happen

We are accidents waiting, waiting to happen

4. Just 'cause you feel it doesn't mean it's there...

Don't reach out...

| (×2) There there... Why so green and lonely?

| Heaven sent you to me...

| We are accidents waiting, waiting to happen
