

Intro / groove: **Am Em F C** (×2)

1. In pitch dark I go walking in your landscape
Broken branches trip me as I speak
Just 'cause you feel it doesn't mean it's there
Just 'cause you feel it doesn't mean it's there
2. There's always a siren singing you to shipwreck
(Don't reach out, don't reach out)
Steer away from these rocks, we'd be a walking disaster
(Don't reach out, don't reach out)

There there **Am Em** Why so green and lonely? **F C**
And lonely, and lonely **Am Em F C**
Heaven sent you to me **Am Em** To me To me **F C**

3. We are **Am** accidents waiting, waiting to happen **Em**
We are **F** accidents waiting, waiting to happen **C**

4. Build / same chords:
Just 'cause you feel it doesn't mean it's there...
Don't reach out...

(×2) There there... Why so green and lonely?
Heaven sent you to me...
We are accidents waiting, waiting to happen
