No capo: F#m A E C#7

1. I woke up to the morning sky first Baby blue, just like we rehearsed
When I get up off this ground I shake leaves back down to the brown, brown, brown
'Til I'm clean
Then I walk where I'd be shaded by the trees By a meadow of green
For about a mile I'm headed to town, town, town, in style

With all my favorite colors All my favorite colors
My sisters and my brothers See 'em like no other
All my favorite colors
It's a good day to be A good day for me
A good day to see My favorite colors, colors
My sisters and my brothers They see 'em like no other
All my favorite colors

2. Now take me to the other side Little bitty bluebird fly
And grey clouds or white walls or blue skies
We gon' fly, feel alright And we gon'...
Ooh-ooh... (same loop)
