

Jam chart (approx.): Am F C G (×2)

1. A colored flower in the gray Felt like a shadow about to fade  
Some people hate when someone's different They would kick you down like they were on a mission  
Each time I fell, I rose again And again

Here's to everyone who thought that I would give up  
Those who would smile while I was struggling in the dark  
Everyone who said that I would not deliver  
See me now See me now

2. A fire burning deep within Felt like a lighter in the wind  
With time, the scars became a blessing I built a man from every single lesson  
Each time I fell, I found my crown again

(×2) Here's to everyone... See me now

Here's to all the tears that I have cried Here's to all the dreams that never died  
Here's to everyone who thought that I would give up  
See me now You should see me now
